

November, 2009 Members News

Charlene Turczyn announced that her company, CMW and Associates, has been named as one of the leading diversity firms in Illinois.

Message from President Deb Marsaglia

At the November meeting, Darlene Weaver put out a challenge to all members to please donate to the Central Illinois Food Bank. She graciously offered to match contributions up to \$250. Our chapter collected \$860, including Darlene's \$250. What a great accomplishment and testimony to our members!! I am so proud of each and every one of you! There will be so many families that will be able to have good meals thanks to our generosity!!
